Dear

Reference is being made to correspondence and discussions re subject in caption, in particular the one held on the 28th May 2021 where upon further enquiries, it resulted that this issue may be delayed further due to a

Kindly note that it is not the fault of individual Police Officers that this matter is taking years to happen. There is no working place where employees, have to clean the building they work in, themselves. Obviously we are not speaking about keeping the premises clean and that if someone dirties or spills something, does not clean. However the situation today is that Police officers are also made cleaners in its full meaning.

As I have explained, the Police Force has to find an interim solution if this case is to dragged further the 21st June 2021. Kindly remember that

Best Regards,

Neville Mercieca  
Executive Secretary

Dear

The reply had been discussed internally and whilst the issuance of the tender in 2020 has

been received with pleasure, the process is still not concluded and no one we believe that the appeal will still take some time to be decided.

In the meantime, we are requesting that an interim solution is adopted so that Police Officers, with immediate effect stop cleaning the estate of the Malta Police Force, especially those places also used by civilians.

Best Regards,

Neville Mercieca  
Executive Secretary

Għażiż

Nispera li tinstab tajjeb.

L-MPA iddiskutiet il-punt rigwardanti t-tindif tal-propjeta (*Għases, ufficċji, toilets etc.*) tal-Korp tal-Pulizija. Sa issa, huwa l-membru tal-Korp li qiegħed inaddaf din il-propjeta li mhux biss tintuża mill-istess membru, iżda anki mill-pajżana. Għalkemm forsi kien hemm żmien meta dan kien jgħaddi bħala dover tal-Pulizija u li huwa parti mix-xogħol tiegħu, dan mhux se jibqqa jigi ttollerat fil-futur qrib.

Stante li nifhmu li hemm proċess amministrattiv sabiex issir din il-qalba, kif ukoll li matul l-aħħar snin dejjem smajna li l-proċess beda;

- 1) Qegħdin insaqsu fiex wasal il-proċess?
- 2) Meta huwa ppjanat li l-membru tal-Korp ma jibqax Pulizija u cleaner fl-istess hin?
- 3) Qegħdin nitolbu li jekk dan il-proċess se jtawwal, tiġi ngagġata kumpanija privata minnufieħ sabiex tkopri l-perjodu sakemm kollox jiġi deċiz.

Filwaqt li nerġa ntenni li nifhmu li hemm proċess x'isir, nixtieqek taprezza li iktar u iktar f'dan il-mument, l-għan tagħna huwa li niproteġu s-saħħa tal-membri tagħna.

Tislijiet,

Neville Mercieca  
Executive Secretary
