

Gozo | Call for applications

In view of recent internal calls for application to the 10PD (and Comino), the Union wrote to the Administration requesting a clarification if there has been any change in the established practice that Gozitan (residents) deployed in Malta, are transferred to the 10PD (Gozo) when vacancies arise, according to the seniority list and not as per calls issued by the Police Force.

The Union will not be accepting any changes to the current (seniority list) transfer system.
